#### **Non-Regular Classes Involving Multiple Dog Entries**

As the judge's decision in the Stud Dog, Brood Bitch and Brace classes will be based on the merits of more than one dog or bitch, none of the dogs or bitches making up the entry judged first in the class will be eligible for Best of Breed by virtue of having won these classes.

**Stud Dog** - Stud Dogs and two of their Get. It is not necessary that the Get be under the same ownership as that of the Stud Dog. The Stud Dog may be entered separately in one of the Regular or Non-Regular Classes or if it is a Champion of Record, for Best of Breed Competition or may be entered for Stud dog Class only at the regular entry fee. The Get **MUST** be entered in one of the Regular Classes and **MUST** be indicated as "GET" in the additional class box on the entry form. The Stud Dog unit shall be considered as one entry and requires only one entry fee. The Stud Dog must be entered in the Stud Dog Class and shown in the ring with his Get. While the merits of the Stud Dog are not to be considered in the placement of the entry, the Stud Dog must be examined to determine if it has a condition that would require its disqualification or excusal under the Dog Show Rules, AKC policy or standard for the Breed.

**Brood Bitch** - Same as Stud Dog Class except substitute Brood Bitch for Stud Dog and Produce for Get.

**Brace Class** – Both dogs in each Brace, regardless of sex, must have at least one common owner. Will require a fee of \$20.00 for the Brace as a Unit if entered as an additional class. The dogs comprising a Brace **MUST** be named at the time of entry. If a dog which is to be part of a brace is not entered in another class it must be entered "For Brace Only", fee is \$25.00. In making entries for "Brace Class Only" full particulars must be given for each dog on individual regular entry forms. An entry form for a dog entered in another class and entered as part of a Brace **MUST** be marked accordingly in the space provided for Additional Classes "Brace Class." If more than one brace is entered by the same owner, the dogs comprising **EACH** Brace must be so designated "Brace No. 1" "Brace No. 2" etc.
